

Timberwolf Parent Teacher Connection

Washington PTA

PTA is moms, dads, grandparents, and guardians, anyone who has a vested interest in the education of a child. This is a flexible organization whose members work both inside and outside the home. Dads, moms, grandparents and community members are welcome, and always are needed.

PTA stands for Parent Teacher Association.

Washington has always enjoyed a very active parent community. We are also proud to say the majority of Washington's teachers and staff are also members of the PTA. This union of dedicated teachers and concerned parents creates an environment where children thrive.

All PTA events are coordinated and staffed by parent volunteers. Please consider giving some of your time to help the Washington PTA continue the success it has in the past. If you would like more information feel free to contact your PTA Co-Presidents:
Kelley Balcerowski 259-5119 or
Jenny Larson 257-4681

How Can I help my child's School?

Join your local PTA. Your membership helps create a strong parent group to advocate for Washington's Children

What does the PTA expect from me?

PTA members should do what they can, whenever they can. Joining the PTA may be all you can do, but there are plenty of opportunities for you to get more involved. Please see the reverse side of this flyer for more information.

Where does funding come from?

During the school year, the PTA receives funding from several fund raising events. Other sources of income for the PTA include Pick and Save We Care Program, Market Day, General Mills Box Tops and the Target 1% Donation Program. Funds that are raised this year go towards next year's budget. Any funds raised above projected budgets can be used for great extras that will enrich the Washington Experience.
