

# Printer Cartridge & Cell Phone Recycling Program

*Help the Earth and support the Wauwatosa PTA Council and our Scholarship Program*

---

## How do you do it?

Previously used cell phones and printer cartridges (no refurbished models please) will be collected at each school throughout the district **November 9th to the 24th.**

Simply bring any of these items with you to a Parent/Teacher Conference (or send with your child to school during Nov. 9 thru the 24th ) and drop in the collection box located in or near to your school's office.

## What does it support?

Your support will enable the PTA Council to continue its work for the school district and its students. Notably each year the Wauwatosa PTA Council awards scholarships to East and West High School seniors for college and technical schools.
